

UAV Archives		
UAV_5.168_Box 399	JB Conant papers, folder "Geographical Exploration, Institute of, 1950-51"	Exchanges between Provost Paul H. Buck and Alexander H. Rice, regarding the termination of Rice's donations to the HUIGE and its subsequent closure.
UAV_5.168_Box 431	JB Conant papers, folder "Geography, 1951-1952"	Documents, clippings and letters sent to President Conant regarding the revival, or justified demise, of Geography as a topic of study at Harvard. The HUIGE is mentioned as a potential structure to be funded, so long as its scope may be expanded to the broader study of Geography.
UAV_5.168_Box 452	JB Conant papers, folder "Geography, 1952-1953"	Report commissioned by Conant to Prof. L. Dudley Stamp about the future of Geography at Harvard (12 Oct. 1952) along with correspondence about same topic.
TN996697 UAV 461.150.2	Box containing Book : "Inst. Geog. Explor. Library Acquisitions, 1934-51"	This book contains two parts: books added to the Library, and books taken out by patrons of the HUIGE, including students and Faculty.
TN996693 UAV 461.229	Folder "Institute of Geographical Exploration - Forms, form letters and notices"	Collection of empty forms, flight report sheets, photo angles calculation sheets, notices of building closures, certification letters for the completion of aerial photography courses, and more.
TN996695 UAV 461.255	Folder "Institute of Geographical Exploration - Miscellaneous Processed Material"	Blue duotang folder titled "Outline of Proposed work for advanced students at the Institute of Geographical Exploration - Prepared by Lt. J. F. Phillips 1934-35" outlining the plan of a coastal survey to be undertaken by students of the Institute over a decade's time. Also a list of instruments requested by the Institute, and a course outline titled "Suggested Revisions of Departmental Offerings in Geography - 1946-47"
TN996694 UAV 461.430	Folder "Institute of Geographical Exploration School of Geography Specifications, 1930"	Blueprint specifications (written) for the building of the HUIGE, stamped with the sign of "Horace Trumbauer, Architect". Blueprint plan is missing.
TN996696 UAV 461.434	Folder "Byrd Expedition to Little America, 1934: Telegrams"	Telegrams related to this expedition.
TN997952 UAV 461.451	Folder "Haynes - Printed Material in the Institue of Geographical Exploration"	Report on all holdings at the Institute, classified by floor of the HUIGE building and by room, including all personnel offices. Signes by R.H.Hayes on Oct. 31 1951.

TN996704 UAV 461.214 Box 1	The numberings of these folders are my own, in order (front to back) of the archival box.
